## IFMA LONG ISLAND - JANUARY, 2018

### Are You Benefiting From Our Member Resource Guide?

Need a HVAC company, a Landscape Designer, Sign Printing? Look no further than our [Member Resource Guide](#) listing dozens of expert member service providers. Want to add your company's info to the guide? Instructions to do that are in our [New Member Welcome Kit](#).

## The Latest From The IFMA Blog

### Solar Energy and Your Facility

Solar energy has only really become a viable resource for commercial enterprises relatively recently. Still, it may be worth making the change to solar for a variety of reasons.

[Read Full Article](#)

### Building Information Modeling (BIM) and Facility Management

BIM is used for a variety of purposes in architecture, engineering, and construction. It has proven essential in the design processes of new structures.
