

2017 Sponsorship

Our program provides chapter benefits with intrinsic value to Facilities Managers and Associate Members.

The funds raised support our chapter directly through **scholarships, awards, grants, and educational programs.**

Sponsorship tiers give your firm **maximum exposure** to our group.

- Monthly mailing (emails) to members and guests.

- Monthly Chapter Meetings

- Seminars & Facility Tours

- We participate in local trade shows including the Long Island Building & Facilities Maintenance Show, HIA events, USGBC events, and the BOSS trade show; to name a few.
